Summary

Across all year groups there appears to be a small number of children that feel they are unsure about the different types of bullying and having someone to talk to if they felt unsafe in school. There was also a small percentage of children that felt welfare staff did not deal with bad behaviour effectively.

Actions

- 17-21st November – Anti bullying week – raise profile across the school
- SS to go over behaviour policy with welfare staff/ rewards and sanctions
- Provide each teacher with a copy of the outcomes for their year group.
