[] enjoyed the trip to London, everytime she sees or hears about London she talks about the trip. I think this will be something she will remember from her school days. She also enjoyed making puppets this term and going to Leigh sports village and winning a medal.

[] has enjoyed all her time in yr 2 and KS1, Isabelle will tell me what she has done each day and will sometimes act out in play with dolls what she has been learning at school. I am pleased with Isabelles achievement in the infants.

I was so proud of [] in his christmas performance in Y2 as he took the lead role and demonstrated such confidence. I also don't think we will ever forget the effort the school put into world Book Day this year. Amazing experience!

Suggestions for improvement:

- Improving the communication throughout the school
- I feel an extra parents evening during the school year would be a benefit or a mid year report in the same format as the end of year one.
- I would like to know how I could help her at home and could do with some advice or work to do over the summer.
- I think sports teams should be started earlier in the year groups
