The excitement and pride of coming 1st place in maths interschool challenge.

London trip, especially considering the very recent troubles. We applauded the school and teachers for making the decision to go ahead.

I think Holly has made excellent progress not just academically but with her personal skills and her ability to deal with her fidgeting and behavior  
Thank you so much!

Cameron has thoroughly enjoyed all of the after school clubs he has attended and the opportunities he has been given to represent the school have been fantastic experiences for him.

The London trip was fantastic too and extremely well managed under difficult circumstances.  
Thank you!

Jayden has only joined the school this year and was well below expected standards, the school gave so much time and dedication to help improve this.
