Please describe one of your most memorable experiences of your child so far

Please describe one of your most memorable experiences of your child

Going to the Leigh school Games

Too many to write but if I have to choose one, it would be going to London!

Please describe one of your most memorable experiences of your child so far

Olivia really enjoyed reading George's marvellous medicine in school as it was a story she had already read at home. She really enjoys re-writing the stories in her own words. She also really enjoyed the trip to London - This was a fantastic opportunity for her

When Poppy came home after doing Tests/Exams at school and being told she had done really well, after she had worked herself up worrying

Comments about you or your child's experience in the infants.

I am pleased with the progress she has made and that is due to the staff's help and understanding of the child's needs. The staff are very approachable and will help in any way they can.

William has thoroughly enjoyed being in the infants and has developed his academic potential beautifully. Many thanks Miss Waters!

Olivia has really enjoyed school so far and we are really pleased with how she has been supported and encouraged to work at the Greater standard level. After having Miss Waters for the past 2 years, we really will miss her. Thank you for all the work you have done with Olivia.

I would just like to thank the teachers for always encouraging Poppy to show her potential.
