12. Please describe one of your most memorable experiences of your child in school

Seeing Grace in her Y6 play was fantastic yet very emotional. It was lovely to see how school has helped her grow into a clever, kind and funny girl.

Grace has had nothing but a fantastic experience at Nicol Mere, I cannot fault the teaching staff and am very proud that all my children are there. (or have attended!)

The year 6 show, Jacob had a big part, he was amazing. Naturally dressed as a donkey, he tripped up over the tail and couldn't stop laughing. Singing "Don't stop believing" by Journey in the school choir whilst air guitaring - there have been lots of lovely memories.

A very recent experience but one that we feel sums up all the help and support Elysia has received, Elysia's performance as Mrs Roberts at the leavers assembly. The confidence she had and delivery of her lines made us really proud and reflects the support she has had to be able to perform before a crowd and visibly enjoying taking part with all her friends.

Elysia has thoroughly enjoyed the last 7 years and talks of teachers, staff and fellow pupils as though they are family. She has been encouraged, nurtured and loved and will have fantastically happy memories to look back on and remember with a smile. Thank you to everyone at Nicol Mere for helping her to build those memories she will cherish.

Millie has had many memorable experiences in school especially coming to watch all the school plays that she has been a part of and sports days which she has really enjoyed.

The 45 play, Jessica had such a big part, I was so proud of her. There are so many lovely memories, the thoughts of her crying sat on Mrs Hunters knee are such a long time ago - and now that really makes me laugh!

I am so proud Jessica has attended Nield More, she has had the best primary experience ever, Thank you Mr Gubbins for providing the best teachers, Mrs Roberts, Mrs Hunter, Mrs Swift, Mr Wallace, Mrs Pilling, can't thank them enough for caring + teaching for Jessica. Our only disappointing experience is low background, I feel it would be much better to have a teacher present, who has taught the children, who knows the child, who can help them get through it when nervous, who wouldn't give up on them as easily as they did with Jessica.
