Dear Parents,

We are delighted to welcome all our children back to school in September to continue on their learning journey. School will be slightly different to what we are all familiar with; however, we aim to make it as normal as possible with minimal disruption.

The health and wellbeing of the school community is our main priority. We have used all the government guidance to create plans and risk assessments to keep our children and families safe.

Please see the following document which outlines our current plan for September and we strongly encourage all parents to read this in detail. We hope that this will answer many of the questions you may have regarding your child's return to school for the new academic year. We will be reviewing this plan on an ongoing basis as soon as new guidance is available from the government.

As we approach the summer holiday, please be aware that we may still need to respond to any changes in guidance and we would ask that you check school Facebook and the website throughout the break.

There will still be work available from class teachers if you wish to continue doing a little work throughout the holidays.

Thank you for all your kind messages and support during this time. We look forward to seeing you all in September.

Have a safe and peaceful summer break.

Yours sincerely,

Mrs Swift and Mr Gubbins
