experience of reception:
 Lucas really has had an amazing time in reception. He really enjoyed all of the themed learning and travelling around the world learning about new places and cultures. He really has grown in confidence over the school year thanks to the amazing teachers and staff.

experience of reception? Chloe has enjoyed going to school from day 1. The time + topics you have covered has helped Chloe to understand and even taken me through her journey. She has loved every minute. Role play activities are her favourite, she loves performing. Her confidence has grown so much. Thank you.

My child has thoroughly enjoyed her time in reception, her progress from the start to now is fantastic and we can't thank the reception team enough. Communication and support/guidance on how to help at home has been great throughout the year. Any parts that I thought could have been improved from my first experience with my eldest daughter certainly have. Thank you!

Joe has really enjoyed his year in Reception and loves coming to school. I found the 'Ask Me About' sheets were a brilliant way to find out what Joe has done during the week and support him at home in line with his school topics.

Fraja has really enjoyed her time in reception, this is evident from the stories she relays about what she has done.

Rose has loved her first year of school. The teachers have gone above & beyond in making Reception exciting & stimulating, and every day Rose has come home with something else to tell us about what she's been up to. The workshops & chance to observe phonics was wonderful.

It took [redacted] a while to settle in to Reception and I felt that there was a lot of pressure to pick up the phonics & handwriting in the first half term. I'm pleased with Sam's progress and support from all Reception staff. SSG is excellent.

We are glad ***** has settled in very well and made excellent progress. Yes we do want the children to hit the ground running to ensure they have the correct building blocks for learning as soon as possible.
