We were satisfied with everything, thank you very much to Mrs. Roberts for all the informations she gives us on Kyle.

Very happy with the information given and suggestions on what to work on. Also love to hear how well the teachers know my child, very reassuring.

any suggestions on how it could be improved further.
Mrs Greaves was friendly kept to time, and showed she knows our child well and what she needs to do to improve. Thank you.

We really enjoyed parents evening and Mrs Green explained everything really well. There was enough time to talk and go through any questions we had.

Short and straight to the point.

Parents evening was useful to us as parents and gave us the information we needed.

I was happy with parents evening, I was updated on Layla's progress and on what she will be working towards next term.

Good organisation & very informative. Thank you for your time.

any suggestions on how it could be improved further.

I was extremely pleased with the comment on Annabelle's progression particularly in phonics and was grateful for the advice on how to further help her at home.

The teacher is really nice and I am happy my child is going to Nicol more as the school is really good and grate thank you for everything. x

everything was done fine. We understood everything the teacher was saying and she explained anything we was unsure about.

A very positive experience, thank you so much.

Thank you to Mrs Morris for seeing us outside the allocated parent evening date/times. Feeling very positive about where Katie is and how she can improve.

Infant hall was well set out, tables and books out helped to avoid children running around and keep noise down. The music was a nice touch!

I found this parents evening to be very positive, thank you.

I asked questions and felt it was no trouble and was given clear positive feedback on where Lily is and how we can help her.

I saw Miss Leach, she was brilliant, in depth conversation. I could tell she really knows Niamh. I didn't feel rushed and we spoke about all aspects of Niamh in school and at home. Very happy mum. 😊

The setup of parents evening with the children's books available to view was very useful prior to meeting the teacher. It was useful to see both teachers who teach my child. No suggestions for improvements.

Excellent Parents evening Harry is doing great and that's due to Nicol Mere's EXCELLENT TEACHING STAFF

'Five minutes never seems like enough'

We say...

However, we have to stick to 5 minutes otherwise everyone else has to wait. Subsequently, longer meetings with teachers can be arranged at any time during the year at the beginning and end of the day to sort any issues or organise any meetings.
