10. Describe you most vivid memorable experience from your time at Nicol Mere (This can be recent or many years ago)

In reception, I wouldn't go in without my bunny and me and Tegan went in together crying. PGL and Harry Potter World were amazing.

recent or many years ago)

PGL was the best time i've ever had at Nicol Mere and I will never forget it.

I remember when I made all my friends in reception and most of them are here today.

One of my most memorable moments was going to our leavers trip and falling over at the roller ~~rink~~ rink.

Being lucky to have these teachers and go on the trips through out the years.

PGL and our leavers trip has to be my all time favourites and something I'll NEVER forget!

I have enjoyed it and it has been the best time at Nical Mer

11. Any other comments that you would like to make.

11. Any other comments that you would like to make.

Out of all the schools I have been to, Nical Mer has definitely been the best. I have definitely built confidence and made so many friends. My teachers have been so supportive and helped me with issues in school and out. I will miss this school because it has always felt like home.

My teachers in Y6 are amazing!!!

Mr Wallare is the best teacher in the world.
